

# JOSE LUIS CRESPO

Vice President, Global Sales

Jose Luis Crespo joined Plug Power Inc. as Vice President of Business Development and International Sales in 2014. He was promoted to Vice President of Global Sales in January of 2015. In this role, Mr. Crespo assumed all responsibilities for the global sales strategy, sales growth and market entry for Plug Power's GenDrive and GenSure brands.

Prior to joining Plug Power, Mr. Crespo served as Vice President of International Value Stream at Smiths Power. He successfully brought together two international business divisions, including sales, manufacturing, and field support. Under his leadership, Smiths Power achieved combined sales of \$14M in the first year after the acquisition.

Mr. Crespo holds an MBA in Global Management from the University of Phoenix and a degree in Telecommunications Engineering from the Engineering University of Madrid, Spain.
